Canfranc Memory : The collective memory of the Canfranc railway

A project aimed at sharing a common cultural activity based on the collective memory of the Canfranc and Aspe valleys linked to the construction of the Canfranc railway line.

Partners

Asociación Canfranc 1928

Plaza del Ayuntamiento, 1 Ayuntamiento de Canfranc 22880 Canfranc Estación **Estación Mémoire d'Aspe Association (France)**

Accous Town Hall, 64490 Accous

Objectives

- Strengthen the shared identity of two valleys through a cultural initiative linked to their common railway heritage.

Dates : 01/06/2022 – 30/12/2022

Budget : 25 000 €

Project actions

- Initial steps towards ongoing collaboration between two local cross-border cultural organisations with a long-term joint work plan.
- Organisation of two major joint events highlighting the Canfranc railway line not only as infrastructure but also as a collective achievement of mountain communities, linking past, present and future.
- Launch of an exhibition on the collective memory of Canfranc.

Results

- Study and initial steps towards a joint application for the protection of the 'Pau-Canfranc line' railway heritage (UNESCO World Heritage Site or European Cultural Heritage Label).
- Organisation of the annual historical re-enactment of the arrival of the railway in Canfranc.
- Creation of a permanent photographic exhibition on the Canfranc railway line.
